### To Whom It May Concern

It is my pleasure to recommend Wai Linn Aung for the position of Software Engineer. He worked from June 1, 2019 to August 31, 2022 at Myanmar Software Integrated Solutions, Software House. I would present the projects that he participated and team member roles in detail. He has completely worked in e-Resource Management System and Visitor Management System as a Java programmer role, in Project Management Workflow System and Electronic Document Management System as a support and maintenance engineer role, in Learning Management System as a software engineer role. He has coding skill in Java Enterprise, C#.NET core framework, PHP Laravel and open-source Moodle framework. His technical skills are software deployment on-premises server as well as AWS cloud server. He took his responsibilities and tried hard in timeline of all projects. He has a lot of deployment experience in Moodle, Odoo ERP, Koha Open source and other MSIS products.

He is a talented, hard-working employee and has strong soft skill and good communication. I am confident that he can handle any challenge in software engineer role. I believe Wai Linn Aung that he can learn adaptatively in new technologies. Please feel free to contact me if you have questions. I can be reached at +959250701019 via email at [miminge@myansis.com](mailto:miminge@myansis.com).

Sincerely

A handwritten signature in blue ink, appearing to read "miminge".
